

ACTS HOMESCHOOL SOUTH CLASS LIST
SECOND SEMESTER 2014-15

1st Period 10:00 - 10:55

Period: 1 **Nursery** **Ages:** **0 - 2**

Supplies to be Provided by Student: **Please bring a labeled diaper bag, sippy cup and snack, if desired.**

Period: 1 **Nursery Rhyme Time** **Ages:** **3 - 4**

Teacher(s): **Christina Swannack** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$3**

Description: **Join us for nursery rhyme fun! We will explore a different nursery rhyme each week and incorporate movement, fine motor skills, crafts, and more!**

Period: 1 **Write ABC's and Phonics Fun** **Ages:** **4 - 6**

Teacher(s): **Stacy Terrell** **Class Fee:** **\$15**

Prerequisites: **Must be able to sit and at a minimum trace lines and know their ABC's. Have practiced using scissors.** **Material Fee:** **\$8**

Description: **We will be learning how to properly write the ABC's, and the sounds associated with them. We will do a morning routine focusing on one letter for the day. Then after learning how to properly write the letter, using Handwriting without Tears curriculum, and the sounds associated with it, we will create a craft that is associated with the letter sound.**

Supplies to be Provided by Student: **Pencil best suited for them (with grip if needed), Elmer's glue, glue stick, scissors, Handwriting without tears chalkboard \$5 found online: <http://shopping.hwtears.com/product/SLT>**

Period: 1 **Me and My Body** **Ages:** **5 - 8**

Teacher(s): **Rachel Names** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$10**

Description: **Come on an exciting journey of discovery! Learn what is going on inside your amazing body. Week by week, create a lifesize "you" complete with organs, skeleton, & muscles. Learn about the circulatory, respiratory, digestive and nervous systems and review the five senses. Join us on this hands on adventure!**

Homework: **Optional**
Students may want to read handouts at home with parents each week.

Supplies to be Provided by Student: **Crayons or colored pencils, glue stick**

Notebook paper and a pencil are required materials for all classes.

Period: 1 **Painting with the Masters** **Ages:** **6 - 8**
Teacher(s): **Kaitlin Morris** **Class Fee:** **\$15**
Prerequisites: **None** **Material Fee:** **\$12**

Description: **In this class, we will explore six of the world's great artists. We will learn about each artist's personal history and inspiration, and then create our own projects using the styles and techniques introduced. Artists studied in this class are: Picasso, Van Gogh, Pollock, Monet, Matisse, and Michelangelo.**

Supplies to be Provided by Student: **Paintbrush set with at least 5 different sized brushes, Paint palette tray**

Period: 1 **Beginning Taekwondo** **Ages:** **7 - 12**
Teacher(s): **Tristan Norquist** **Class Fee:** **\$15**
Prerequisites: **None** **Material Fee:** **\$10**

Description: **Come join us in learning the Korean Martial Art of Taekwondo! You will do warm ups, and learn drills, hand, kicking, and self defense techniques. Challenge yourself to something new and exciting! We will also learn some Korean used during class, as well as the formal and proper way to address your instructor and others during class time. Courtesy, integrity, perseverance, self-control, and indomitable spirit will be focused on in class...and you will even learn how to break a board!! The material fee will cover the cost of a white belt, if you already have one, please contact Tristan to adjust the fee.**

Homework: **Optional**
 Work on Korean terms and techniques learned in class.

Supplies to be Provided by Student: **Plain white t-shirt, (no graphics), black sweat pants, (stripes on side ok), bare feet**

Period: 1 **Needle Arts** **Ages:** **8 - 12**
Teacher(s): **Julie Ross** **Class Fee:** **\$15**
Prerequisites: **None** **Material Fee:** **\$15**

Description: **Just in time for Christmas, learn to knit and cross stitch to make small items to keep or use as gifts for the holidays. Start the semester by knitting a dishcloth, then later learn to cross stitch and make a cute Christmas ornament.**

Notebook paper and a pencil are required materials for all classes.

Period: 1 **Puppet Tales** **Ages:** **9 - 12**

Teacher(s): Melissa Clemensen and Brett Clemensen **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$15**

Description: In this class we will take a creative journey into story-telling. We will make puppets of all different types: finger puppets, stick puppets, sock puppets and more! We will try our hand at story-telling as we learn the tales that go with our puppets.

Homework: **Optional**
Homework completed each week will help student in class the following Friday, however, it is not required.

Supplies to be Provided by Student: Scissors, glue stick, colored pencils or markers, paint shirt

Period: 1 **Landscapes and Seascapes** **Ages:** **9 - 12**

Teacher(s): Davina Dillard **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$5**

Description: We will learn to draw mountains, trees, rivers, waves, clouds and much more! Let's draw the beauty around us!

Supplies to be Provided by Student: Sketch pad, pencil, eraser, stick charcoal or pencil charcoal

Period: 1 **ACTSouth Choir** **Ages:** **11 - 18**

Teacher(s): Stanton Sattler **Class Fee:** **\$15**

Prerequisites: Be a team player **Material Fee:** **\$13**

Description: Newcomers and guys are welcome! This semester we'll be preparing music for Harvest, Thanksgiving and Christmas. We will work as a team to create beauty and strength in sound as we blend our voices and strengthen our skills in creating the pitch, rhythm, and harmony of acappella singing. We will learn both sacred and festive pieces. We will share our accomplishments periodically during ACTS opening. We may also decide as a class to host our own Concert as well.

Homework: **Optional**
Occasional outside of class memory work/practice

Supplies to be Provided by Student: pencil with an eraser

Notebook paper and a pencil are required materials for all classes.

Period: 1 **Brain Science** **Ages:** **12 - 18**
Teacher(s): **Lissa Wilson** **Class Fee:** **\$15**
Prerequisites: **None** **Material Fee:** **\$15**

Description: **Have you ever wondered how our brains learn? What hinders or helps our learning? How do we absorb and interpret information? We will look at medical mysteries, the history of brain research, basic anatomy of the brain, blood-brain barrier, roles of left and right hemispheres, savant syndrome, neurons, other types of brain cells (the unsung heroes!), how nerve impulses travel, neuron networks, learning and memory, the peripheral nervous system, reflexes, sleep, brain doctors, and basic brain problems. Part neurology, part psychology - this class is all learning fun that develops your brain!**

Homework: **Optional**
Students will be assigned short text passages, puzzles, & exercises that will greatly enhance their understanding of in class activities. Text is 2-5 pages per week plus suggested supplemental activities.

Supplies to be Provided by Student: **Colored pencils, scissors, glue stick**

Period: 1 **Periodic Table of Elements 101** **Ages:** **12 - 18**
Teacher(s): **Jennifer Cross** **Class Fee:** **\$15**
Prerequisites: **None** **Material Fee:** **\$10**

Description: **Don't let the title of this class scare you off! Chemistry is fun and the Periodic table of elements is the building blocks to life itself. In this class, we will examine the table and learn about atomic number, atomic mass, and chemical symbols. We will learn with games and hands- on projects! Don't trust atoms, they make up everything!**

Supplies to be Provided by Student: **Colored pencils, scissors, glue stick, ruler**

Period: 1 **Cooking for a Crowd** **Ages:** **12 - 18**
Teacher(s): **Krystal Beadle and Tina Rood** **Class Fee:** **\$15**
Prerequisites: **Priority will be given to students who have not previously taken this class.** **Material Fee:** **\$25**

Description: **Let's get cookin'! We will be multiplying, chopping, measuring, and cooking a different recipe each week for lunch and dinner sales. One lunch each week is included in your material fee. Proceeds from lunch and dinner sales benefit NRG.**

Supplies to be Provided by Student: **An apron is recommended, otherwise your good attitude and readiness to work are all you need.**

Notebook paper and a pencil are required materials for all classes.

Period: 1 **Constitution Alive! A Citizen's Guide to the Constitution** **Ages:** **13 - 18**

Teacher(s): Amber Moreland **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$15**

Description: We will join David Barton and Rick Green, Constitutional experts and advocates for the original intent of our founding documents, in this one-of-a-kind course on the meaning and purpose of the Constitution! Using a workbook, we'll go article-by-article through the Constitution and the Bill of Rights, and learn about executive orders, recess appointments, the Electoral College, the powers of Congress and the President, freedom of religion, and much more. **NO DRY AND BORING LECTURES HERE!**

Homework: **Optional**
Homework will only enhance the learning that is being taught through the videos; strongly suggested to complete, but not required.

Period: 1 **Study Hall** **Ages:** **6 - 18**

Description: Students are expected to work or read independently and quietly.

Supplies to be Provided by Student: Please bring materials from home to work quietly on.

2nd Period 11:00 - 11:55

Period: 2 **Nursery** **Ages:** **0 - 2**

Supplies to be Provided by Student: Please bring a labeled diaper bag, sippy cup and snack, if desired.

Period: 2 **Fun with ABC's** **Ages:** **2 - 3**

Teacher(s): Michelle Hulin **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$1**

Description: Each week we will go over a new letter with a fun craft, book activity or game.

Supplies to be Provided by Student: Crayons, scissors, glue stick, occasionally bring in items from home.

Period: 2 **Before Five in a Row** **Ages:** **3 - 4**

Teacher(s): Christina Swannack **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$3**

Description: Join us each week for a classic children's story and fun crafts and activities to go along. We'll incorporate fine and gross motor skills, patterns, sequencing, ASL, and more.

Notebook paper and a pencil are required materials for all classes.

Period: 2 **Learning Through Play** **Ages:** **4 - 6**

Teacher(s): Kaitlin Morris **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$5**

Description: **In this class, we will read stories, do craft projects, play games, and have fun together!**

Supplies to be Provided by Student: **Glue, scissors, markers or crayons**

Period: 2 **Seasonal Crafts** **Ages:** **5 - 7**

Teacher(s): Jacqueline Smith **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$4**

Description: **Let's celebrate the changing of seasons and holidays! We will be reading one to two stories followed by a craft that goes along with the seasonal stories. We will cover harvest time, Thanksgiving, Christmas and more!**

Supplies to be Provided by Student: **Crayons or colored pencils, glue stick, scissors. Families may be asked to contribute household items to be used in class, such as egg cartons, etc.**

Period: 2 **PE 5-8** **Ages:** **5 - 8**

Teacher(s): Melissa Cathey **Class Fee:** **\$15**

Description: **Come join us for an hour of heart pumping fun! We will play old favorite games, such as fire and ice tag and learn new ones, too.**

Supplies to be Provided by Student: **Proper running shoes and comfortable clothing for exercising.**

Period: 2 **Science of the Fairy Tale Forest** **Ages:** **7 - 10**

Teacher(s): Lissa Wilson & Melissa Clemensen **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$15**

Description: **Can you really poison an apple like the Evil Queen did for Snow White? Was Baby Bear's porridge really just the right temperature? How much weight could Rapunzel's hair really hold? Come explore these questions and more with hands-on experiments that test the science behind some of the world's most famous fairy tales. We will read illustrated versions of fairy tales, discuss the viewpoints of the characters, and see how real life scientific principles compare to the stories we all know and love. Be prepared to be amazed by the true science of the Fairy Tale Forest!**

Supplies to be Provided by Student: **Protective science safety glasses/goggles, paint shirt, colored pencils, scissors, glue stick**

Notebook paper and a pencil are required materials for all classes.

Period: 2 **Where in the World?** **Ages:** **8 - 11**

Teacher(s): Marion Raykovitz **Class Fee:** **\$15**

Prerequisites: Basic reading skills, first grade reading level. **Material Fee:** **\$15**

Description: We will take this semester to learn about continents, oceans, countries, mountains and rivers. We will create a paper mache globe and travel the world and learn lots of neat and fun facts about different places and people from around the world.

Supplies to be Provided by Student: Scissors, colored pencils or markers, glue

Period: 2 **Limelight** **Ages:** **9 - 12**

Teacher(s): Stephanie Guzman and Calice Jennings **Class Fee:** **\$15**

Description: Come one, come all to a fun filled semester of improv. Have fun learning to think on your feet. Lots of games and exercise to help us learn the rules of improv and create exciting scenes. You won't want to miss it!

Period: 2 **Ologies** **Ages:** **11 - 18**

Teacher(s): Jennifer Cross **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$10**

Description: Ever wanted to study Bigfootology, Nerfology, or Odonatology? How about Who-ology? Each week we will study the science or knowledge base of a specific topic. The possibilities are endless! Be prepared for anything...including a hairy encounter with a North American primate, a futuristic trip to London, or an epic Nerf battle!

Supplies to be Provided by Student: Colored Pencils, scissors, glue stick

Period: 2 **DIY Pinterest Craft Class** **Ages:** **11 - 14**

Teacher(s): Ashley Harvey **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$24**

Description: Come and be crafty! We will be making craft projects from Pinterest! Craft projects will include fence board signs, coaster made from tiles, lanterns, candle holders, canvas paintings and much more.

Notebook paper and a pencil are required materials for all classes.

Period: 2 **Music Theory** **Ages:** **12 - 18**

Teacher(s): **Emilie Greenwell** **Class Fee:** **\$15**

Prerequisites: **Experience reading music through instrument or voice is helpful, but not required.** **Material Fee:** **\$15**

Description: **Come learn about the building blocks of music: scales, chords, key signatures, harmony, intervals, circle of 5ths, etc. Class is geared for students who have some experience with an instrument or voice, can read some music, and want to know more about the nuts and bolts of how music works and how harmonies and tonal patterns are constructed. However, students who have never read any written music may join the class but will have additional homework/study in the first few weeks, as the later content of the class will require the ability to read notes on the staff. Material fee will cover a workbook and class handouts. Teacher has 20+ years experience teaching piano lessons.**

Homework: **Optional**

Period: 2 **Student Government** **Ages:** **12 - 18**

Teacher(s): **Kathy Edgren** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$10**

Description: **This unique class is for the elected Student Government representatives AS WELL as those who are interested in student leadership. If you are nominated for a Student Government position, you are automatically secured a place in the Student Leadership Class (whether you are elected or not). The class will be split into two portions - the Student Council Representatives and non elected students. For the Leadership portion - we will study the principles of leadership through games, hands-on activities, video clips and discussion. The Council Representatives will run their weekly meetings, plan events, and focus on ACTS Student Government responsibilities.**

Homework: **Required**
There will be one essay required for the semester.

Period: 2 **Speech 101** **Ages:** **12 - 18**

Teacher(s): **Sharon White** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$18**

Description: **Speech 101 is an introduction to public speaking course using an IEW dvd curriculum. You will learn the basic concepts for presenting a well-crafted, gracefully organized speech. Work in class will consist of watching a dvd lesson, which will include speeches by both experienced and novice speakers and doing exercises in the corresponding workbook. You will learn not only to reason soundly, but to present ideas in a winsome, intelligent and persuasive way. You will give a total of 4 short (3-6 min.) speeches; one each on week 2, week 5, week 8, and week 11.**

Homework: **Required**
Create outlines for speeches using the guided homework pages provided. Practice and polish your speeches at home before you present them in class.

Notebook paper and a pencil are required materials for all classes.

Period: 2 **Study Hall** Ages: **6 - 18**

Description: **Students are expected to work or read independently and quietly.**

Supplies to be Provided by Student: **Please bring materials from home to work quietly on.**

3rd Period 12:35 - 1:30

Period: 3 **Nursery** Ages: **0 - 2**

Supplies to be Provided by Student: **Please bring a labeled diaper bag, sippy cup and snack, if desired.**

Period: 3 **Edible Art** Ages: **3 - 5**

Teacher(s): **Tessa Gilbertson** Class Fee: **\$15**

Prerequisites: **None** Material Fee: **\$8**

Description: **Preschoolers love to get messy and of course enjoy a snack. This class will be a fun & creative time for both! We will make some kid friendly, sometimes messy and fun art projects with things we can eat!**

Supplies to be Provided by Student: **Smock or wear clothing you don't mind getting a little food on!**

Period: 3 **Paper Plate Crafts** Ages: **4 - 6**

Teacher(s): **Shonda Knowlton** Class Fee: **\$15**

Prerequisites: **None** Material Fee: **\$5**

Description: **Come join us as we create cute crafts from paper plates. We will read books, make a craft and have fun activities to match our theme for the day.**

Supplies to be Provided by Student: **Pencil, crayons, scissors, glue stick, paint shirt**

Period: 3 **Life Cycles** Ages: **5 - 8**

Teacher(s): **Rachel Names** Class Fee: **\$15**

Prerequisites: **None** Material Fee: **\$8**

Description: **Bullfrogs and butterflies, chickens and plants, what do they have in common? Life cycles! Plant your own seed and watch it grow while you learn the parts of a plant. In a class butterfly house, watch the transformation of a caterpillar into a beautiful butterfly. Come on along and learn about life cycles!**

Supplies to be Provided by Student: **Crayons, pencil with eraser, glue stick, pocket folder.**

Notebook paper and a pencil are required materials for all classes.

Period: 3 **In a Mug** **Ages:** **6 - 8**

Teacher(s): Emma Guzman and Stephanie Guzman **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$12**

Description: Do you love to cook, play games, read books? Then this class is for you!! Each week we will learn a new "in a mug" recipe and play games. We will listen to chapter books while we eat out snack. Good food, good friends and lots of fun!

Supplies to be Provided by Student: Coffee mug (that fits in a qt zip lock), fork, hot pad, and 12 quart size zip lock bags. (Teacher will keep bags, and give out each week. Please bring first week of class.

Period: 3 **Beginning Recorder Band** **Ages:** **7 - 11**

Teacher(s): Emilie Greenwell **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$15**

Description: In this class, students will receive a set including a recorder and the introductory song book. As a group, we will learn about basic music reading (note names, note values, etc), the fingerings used on the recorder, and learn songs from the book to play as a group so that we can perform for our co-op family at the end of the semester.

Homework: Required
Practice songs at home

Period: 3 **Junior Bakers** **Ages:** **8 - 11**

Teacher(s): Michelle Allen **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$8**

Description: You will get a chance to bake in this class! We'll make things that can be prepared quickly so that we have time to enjoy our treats- like cookies & muffins! You'll come away with new skills and new recipes!

Supplies to be Provided by Student: Apron is recommended

Period: 3 **Pharaohs and Kings** **Ages:** **9 - 12**

Teacher(s): Melissa Clemensen **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$10**

Description: Journey back into a time of pharaoh's and kings. We will visit two different periods in history: the ancient Egyptian civilization and Medieval times. Through different activities we will compare and contrast these historical periods.

Supplies to be Provided by Student: Scissors, glue stick, coloring crayons or pencils

Notebook paper and a pencil are required materials for all classes.

Period: 3 PE 9-12 **Ages:** 9 - 12

Teacher(s): Melissa Cathey **Class Fee:** \$15

Description: Let's stay active as we begin a new school year! We will play familiar favorites, like spiderball, as well as new exciting games. Enjoy lots of physical fitness fun with friends!

Supplies to be Provided by Student: Sneakers MUST be worn in order to participate.

Period: 3 Balloon Art **Ages:** 10 - 18

Teacher(s): Bryton Cross **Class Fee:** \$15

Prerequisites: None **Material Fee:** \$12

Description: You ever wonder how they make those fantastic hats, swords, and dogs out of balloons? Well, wonder no more, come find out! Your limitation is your imagination! If you can think it...we can make it. Each student will receive their very own two way action pump and 100+ balloons to get you on your way to the ballooniverse!

Supplies to be Provided by Student: A wooden ruler and a black sharpie

Period: 3 From East to West and In-between **Ages:** 12 - 18

Teacher(s): Marion Raykovitz **Class Fee:** \$15

Prerequisites: None **Material Fee:** \$10

Description: We will travel the world in 12 weeks and learn about countries, capitals, some rivers and mountains. While creating our own keepsake world map, we will learn about maps, weather, population, languages and more. All while playing some games, completing fun quizzes and sampling music too.

Homework: Optional
None required but opportunity given for students to show their interest by doing presentations or projects.

Supplies to be Provided by Student: Colored pencils, fine point marker black.

Period: 3 Wildlife Drawing **Ages:** 12 - 18

Teacher(s): Davina Dillard **Class Fee:** \$15

Prerequisites: None **Material Fee:** \$5

Description: Drawing animals that look realistic is fun and easier than you think! We will cover topics such as form, dimensions, fur, eyes and much more. We will try our hand at charcoal drawings and shading. Let's bring animals to life!

Supplies to be Provided by Student: Sketch pad, eraser, pencil, charcoal stick or charcoal pencil

Notebook paper and a pencil are required materials for all classes.

Period: 3 **Apologia Physical Science Yearlong** **Ages:** **13 - 18**
Teacher(s): **Pete and Kelly Lake** **Class Fee:** **\$15**
Prerequisites: **None** **Material Fee:** **\$5**

Description: **This Christian curriculum is designed to prepare students for college-prep high school science courses. We will follow the textbook curriculum with modules 1-8 during the first semester and 9-16 over the second. Some of the topics to be covered first semester include the atmosphere, hydrosphere, structure of the earth, and weather. Class time will be spent reinforcing the concepts covered in the textbook by discussion, observation, and experiments. For more detailed course information, visit www.apologia.com**

Homework: **Optional**
Approx. 45-60 minutes of reading and answering textbook questions per day. These will be turned in & reviewed each class period. Tests will be taken at home. At-home experiments optional. During the semester, there may be a one or two non co-op day classes. Some preliminary reading and assignments will need to be done prior to the start of 1st semester.

Supplies to be Provided by Student: **2nd Edition Apologia Exploring Creation w/Physical Science textbook; safety goggles**

Period: 3 **Yearbook** **Ages:** **13 - 18**
Teacher(s): **Tiffany Sherwood** **Class Fee:** **\$15**
Prerequisites: **Basic Computer skills (how to open programs, save documents, etc.)** **Material Fee:** **\$0**

Description: **We will learn the basics of design, photo editing and how to use Microsoft Publisher in order to create the pages of the 2015-16 ACTS Yearbook. Basic computer knowledge and a laptop that can be used in class is necessary. Students will have assigned work that will need to be completed at home. If you do not have MS Publisher, talk to me, I may be able to help you get it for you at a discounted price.**

Homework: **Required**
Students will be expected to complete assigned weekly work and they will need to have access to email/internet.

Supplies to be Provided by Student: **Laptop with MS Publisher installed, a thumb-drive is not required, but helpful**

Period: 3 **Study Hall** **Ages:** **6 - 18**
Description: **Students are expected to work or read independently and quietly.**

Supplies to be Provided by Student: **Please bring materials from home to work quietly on.**

Notebook paper and a pencil are required materials for all classes.

4th Period 1:35 - 2:30

Period: 4 **Nursery** **Ages:** **0 - 2**

Supplies to be Provided by Student: **Please bring a labeled diaper bag, sippy cup and snack, if desired.**

Period: 4 **Learn with Thomas and Emily** **Ages:** **3 - 5**

Teacher(s): **Julie Ross** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$10**

Description: **Are you a fan of Thomas the Tank Engine and his friends? If so, come along for a ride and do some learning with Thomas and Friends. Each week there will be a preschool lesson, a story or art project, and then free time to play. Bring your favorite Thomas train, just one please, and join in the fun!**

Supplies to be Provided by Student: **A Thomas train(optional), crayons, glue stick**

Period: 4 **Community Helpers** **Ages:** **5 - 7**

Teacher(s): **Heather Hoff** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$10**

Description: **What do you want to be when you "grow-up"? Through stories and games we will learn about the different jobs that people do in our community! Try your hand at being a vet, a dentist, a firefighter, a cook, a mailman, an artist and more through fun interactive crafts and activities. We may even receive a few surprise visitors! How will you be inspired to use your God-given talents?**

Supplies to be Provided by Student: **Scissors, crayons or colored pencils, glue stick**

Period: 4 **Young Illustrators** **Ages:** **5 - 8**

Teacher(s): **Davina Dillard** **Class Fee:** **\$15**

Prerequisites: **None** **Material Fee:** **\$5**

Description: **Do you have a young artist? Do they love stories? We are going to listen to some classic children's literature and draw the characters and scenes. Let's make stories come to life!**

Supplies to be Provided by Student: **Sketch pad, pencil, eraser and crayons**

Notebook paper and a pencil are required materials for all classes.

Period: 4 **Five in a Row** **Ages:** **6 - 8**

Teacher(s): Michelle Hulin **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$5**

Description: This class is a fun way to explore classic children's literature. We will cover a different book each week touching on geography, history, art, writing and math.

Supplies to be Provided by Student: Crayons or colored pencils, scissors, glue

Period: 4 **Food Science Unwrapped** **Ages:** **8 - 11**

Teacher(s): Jennifer Cross **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$8**

Description: Ever been told to stop playing with your food...not in this class. We will dissect some snacks, feed hungry fungi, experiment with color changing milk, and even try to make our own chewing gum. We will become food detectives, chocolatiers, and jellybean taxonomists. Come quench your thirst for knowledge and feed your curiosity.

Supplies to be Provided by Student: Scissors, glue stick, and colored pencils

Period: 4 **Drive Thru History America** **Ages:** **9 - 11**

Teacher(s): Amber Moreland **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$10**

Description: Put the key in your ignition, fasten your seat belt, and get ready to Drive Thru History America! We will learn about: Faith & Freedom, Benjamin Franklin, Benjamin Rush, George Washington, Benjamin Banneker, Haym Salomon, Abigail Adams, Noah Webster, and John Quincy Adams.

Homework: Optional
We will have worksheets that go along with course that may need to be finished at home.

Supplies to be Provided by Student: Pen and pencil, paper

Period: 4 **Kids for Missions** **Ages:** **9 - 12**

Teacher(s): Michelle Allen **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$7**

Description: Let's encourage some missionaries! Each week we will learn about a missionary- their family, where they serve, and what they do! We will also write in cards to send them and spend time praying for their family! We will also learn about some wonderful missionaries of the past.

Homework: Optional

Supplies to be Provided by Student: Binder (or folder), coloring supplies

Notebook paper and a pencil are required materials for all classes.

Period: 4 **12 Days of Christmas** **Ages:** **10 - 12**

Teacher(s): Victoria Mace **Class Fee:** **\$15**

Prerequisites: Enjoys making gifts and celebrating the season of Christmas **Material Fee:** **\$24**

Description: Come celebrate the 12 weeks before Christmas! We will be celebrating Christmas each week as we listen to Christmas music and make special gifts that can be given away to family and friends. During our final class we will festively wrap our gifts, enjoy Christmas music and discuss what makes Christmas so very special to each of us.

Supplies to be Provided by Student: Colored ink pens, glue stick, colored permanent markers, scissors, favorite Christmas wrapping paper.

Period: 4 **Games, Food and Friends** **Ages:** **12 - 18**

Teacher(s): Tina Rood **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$7**

Description: Come relax with some snacks and games. We will be learning a few new card, dice and board games as well as playing some familiar old ones.

Period: 4 **Lyeing about Dyeing: A Soap Making Experience** **Ages:** **12 - 18**

Teacher(s): Christy Eatherly and Sheila McCoy **Class Fee:** **\$15**

Prerequisites: None **Material Fee:** **\$35**

Description: Learn to use colors, oils and scents you love to create beautiful soaps that you can enjoy yourself, give as gifts, or even sell. Soapmaking is a delightful hobby and makes a fantastic springboard for a small business. It's a great creative outlet for anyone who enjoys colors, fragrances, and alchemy, the process of transforming something common into something special. We'll be using the cold process method of soap making, which involves chemicals, such as lye. All students will be required to use their safety equipment every class day.

Supplies to be Provided by Student: Safety goggles that completely block eye area (and can be worn over glasses if necessary), thick, long rubber gloves, and a long sleeved shirt or apron.

Period: 4 **PE** **Ages:** **12 - 18**
